

Letter from Superintendent to Mrs. T.H. Grandy, December 3, 1914

December 3, 1914. Mrs. T. H. Grandy, 1322 Albany St., Schenectady, N. Y. Dear Madam:

Your letter to Dr. Bell has been handed to me prior to being forwarded to his summer home in Nova Scotia. We thank you for the \$2 in payment of membership dues and enclose receipt for same. The November Volta Review will be mailed about the 10th, and a copy of the October Review is mailed to you today.

We have notified Dr. Harris Taylor of your desire to get in correspondence with a competent oral teacher, and you may hear from him. Competent teachers are very scarce and there are a dozen or more vacancies.

We are also sending to you, free of charge, some literature that may prove helpful in aiding you to teach your little daughter.

Sincerely yours, Superintendent.
